RAILS SET PACE
IN STOCK SHARES

Good Opening is More Than Main-
tained With Other Leaders Sec-
ing New High Records.

New York, Sept. 27.—The pace set by rails at the outset today was more than maintained with leaders of that class increasing their advantages to levels that placed them at highest quotations for the past year or two, while Reading at 115½ made a new record.

Union Pacific was the most active stock of the first hour, in which sales again exceeded half a million shares, for the first time in many months surpassing steel and copper.

Gross gains in rails ran to 2 points in many issues with an increasing demand. Steel and representative industrials, held their ground and shipping shares rose substantially. Realizing provoked moderate reactions before noon. Bonds were firm.

Wheat Quotations Appear to Be Still
Weighed Down By Reports of the
Big World Supply.

Chicago, Sept. 27.—Wheat prices today appeared to be still weighed down by the bearish influence of the big world supply, the largest known at this season. Initial quotations, which ranged from ¼c off to ¼c up, with December at 1.54 to 1.54½ and May at 1.54 to 1.54½, were followed by a material general decline and then something of a rally.

Unsettled weather in Argentina that pointed to a break-up of the drought there led to increased weakness later. The close was unsettled, 1c to 1½c net lower, with December at 1.52½ to 1.53½, and May at 1.52½ to 1.53½.

Unwelcome rains made corn relatively firm. After opening at ¼c decline to 1.52½, and May at 1.52½ to 1.53½, the market fluctuated within narrow limits.

The close was nervous at a range varying from ¼c decline to a rise of ¼c compared with yesterday's finish.

Oats tended to sag in the absence of any aggressive demand from the seaboard. Wheat weakness also was a bearish factor.

Lower prices on hogs carried down provisions.

AMERICAN BANKERS
PUT ON COMMITTEE

New York, Sept. 27.—Agents of American banks in London will be appointed members of a committee with headquarters in that city to cooperate with a committee of ammunition bankers in an attempt to alleviate the British censorship of American mail and the British blacklist, says A. Barton Hepburn, who acted as host at the luncheon and conference here of New York bankers with Sir Richard Crawford, trade representative of the British embassy at Washington.

The London committee, Mr. Hepburn says, will cooperate with the British censor and the government officials in an effort to curtail the delay of mail.
